Newport News Green Foundation Acquires New Property

NEWPORT NEWS, VA – The Newport News Green Foundation, a nonprofit which works to works to acquire, establish, maintain, and preserve green spaces in perpetuity within the City of Newport News, recently acquired a new property to further the organization’s mission. The 0.38 acre site, located at 437 Harpersville Road, exists in a natural wooded state and will provide a wealth of benefits to the citizens of Newport News, including making the city more beautiful, protecting area waterways from pollution and making the city safer, cleaner, and more enjoyable.

“Acquiring a new property furthers our mission and benefits all who live, work, and play in Newport News,” said Amanda Wroten, Executive Director of the Newport News Green Foundation. “This property will further our mission to make Newport News more visually attractive. Everyone loves a little green.”

In all, the Newport News Green Foundation now holds 25.64 acres of property throughout the City of Newport News. A list of the foundation’s properties and addresses is available online at www.newportnewsgreenfoundation.org.

The mission of the Newport News Green Foundation is to promote the creation and preservation of green space throughout the City of Newport News through advocacy, acquisition, and assistance to others in order to make Newport News a more visually attractive place to live, work, and play. The Newport News Green Foundation is an independent 501(c)(3) nonprofit, charitable organization.
