CSX provides a greener future for the Newport News Green Foundation

NEWPORT NEWS, VA – CSX, one of the nation's leading transportation companies, providing rail-based transportation services, recommitted its dedication to environmental stewardship through its support of a Newport News based land conservancy. CSX provided the Newport News Green Foundation with \$2,500 in grant monies to assist the foundation in promoting the creation and preservation of green space throughout the City of Newport News through advocacy, acquisition, and assistance to others.

“We are excited about this new partnership,” said Amanda Wroten, Executive Director of the Newport News Green Foundation. “CSX’s generosity will help make Newport News a more visually attractive place to live, work and play for current and future generations. We are honored by their generosity and look forward to partnering with them in the future.”

CSX is the railroad industry’s Charter Member of the EPA SmartWay Transport Program, designed to promote voluntary reductions in fuel consumption and emissions. By supporting the Newport News Green Foundation, CSX is working to provide green space throughout the City of Newport News. Green spaces provide a wealth of benefits. They make cities more beautiful, create wildlife habitat, protect area waterways from pollution and reduce air and noise pollution. The Newport News Green Foundation works to establish, maintain, and preserve green spaces in perpetuity within the City of Newport News.
